27/11/28

The proposal is to levy a lighterage fee at 1 anna in the rupee of value of the goods landed at the jetties by craft in such case no buildings or lands or both. The Municipal Act does not specify on what class of property is to be levied at 1 anna in the rupee whether on the value of the land only or of both. Unless it is considered necessary to call for detailed information on this, we may sanction the levy on the boats only alone.

We must also provide for the

Sir

In forwarding herewith the file of correspondence ending with the Davangere Sub Division Officers' memo No L S C 1329/27-28 dated the 29th September 1928 in respect of improving the resources of the Jagalur Minor Municipal Council, I have the honor to state that the Municipal Council in their meeting held on 27th September 1927 resolved that the levy of octroi duty on all the articles except on cloth might be abolished and that in lieu thereof a lighting cess at one anna in the Rupee might be levied and the existing market fee raised from 0-2-0 to 0-4-0 on ~~xxx~~ every cart whether laden or empty that comes to the shandy

In submitting the resolution of the Council, the Sub Division Officer Davangere Sub Division has reported that the abolition of octroi duty on all articles and the levy of lighting cess and the market fee at enhanced rate as proposed by the Municipal Council would not be of much use to improve the finances of the Municipal Council and has therefore ~~been~~ suggested that in addition to the levy of octroi duty on all the commodities the imposts referred to above may also be sanctioned This subject was again referred to the Municipal Council for reconsideration and they accepted the revised proposal viz the levy of the lighting cess at 0-1-0 in the Rupee and the enhancement of market fee from 0-2-0 to 0-4-0 in addition to octroi duty

A notice was accordingly published calling for objections if any to the above proposal It is reported that no objections were received The annual increase to the Revenue of the Municipality thereby is estimated at about a thousand Rupees

In the circumstances represented above I request that sanction of Government may kindly be obtained to the resolution of the Municipal Council

The enclosed records may kindly be returned when no longer required

I have the honor to be,

Sir,

Your most obedient servant

Deputy Commissioner,

Chitaldrug District

the levy of lighting tax at 1 anna in the rupee of house tax

Variable in the Penalty is sanctioned

2 As regards enhancement of market fee, it is observed that fee of 2 annas is now being levied on a laden cart only and that it is now proposed to levy same fee of 4 As both on laden and unladen carts In regard to the levy of tolls on carts, only the half the rate is levied on unladen carts of any description and if this principle is applied to market fees, the proposed levy of 4 As on unladen carts seems to be excessive Cost ~~are therefore placed~~ to Govt. that a fee of 4 As in the Case of every laden cart and 2 As in the Case of unladen cart only be levied by the Municipal Council. Then rates are sanctioned
